**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please allow Sonic, our local broadband provider from Santa Rosa, to continue their excellent work. I was very dissatisfied with the service provided by ATT in the past. I had contacted ATT a number of times over the last few years with a variety of problems. After switching to Sonic, I have been provided with excellent service. This service is important for my childrens ability to complete their homework and for me to keep in touch with relatives. Please allow them to continue providing an excellent competitive service. Its the American way!

Sincerely,

Margaret Walsh
